## About Access2Go

Access2Go, Inc. is a leading national provider of Data, Voice and Internet to small, medium and large business. By offering unparalleled support and product selection we have grown into the Premier Switchless Carrier in the marketplace.

Access2Go, Inc. has relationships with (IXC's), Local Exchange Companies (LEC's) Competitive Local Exchange Companies (CLEC's) and Competitive Access Providers (CAP's). We have developed a comprehensive method that allows us to map out the solutions and paths that are best for a given customer regardless of whether they are on one carrier or across networks.

## Offerings

Access2Go empowers you to sell industry leading solutions with none of the frustrations associated with traditional Carriers. Our Cost Plus model let's you capitalize on commissions like never before. With Access2Go you will no longer have to deal with creating, tracking and installing orders. Our one of a kind Agent portal gives you instant access to the best pricing available. No longer do you need to wait to get the pricing you need to deliver to your customer. All orders are tracked through the portal and managed by a dedicated project manager.

We have created a program that simplifies every level of selling services. Our program puts the power in your hands of deciding what parameters are necessary to winning a deal. The earning potential at Access2Go is limitless and simple. Forget all the headaches, focus on your customers and earn superior commissions.
