

Dedicated Internet

About Access2Go

Access2Go, Inc. is a leading national provider of Data, Voice and Internet to small, medium and large business. By offering unparalleled support and product selection we have grown into the Premier Switchless Carrier in the marketplace.

Access2Go, Inc. has relationships with (IXC's), Local Exchange Companies (LEC's) Competitive Local Exchange Companies (CLEC's) and Competitive Access Providers (CAP's). We have developed a comprehensive method that allows us to map out the solutions and paths that are best for a given customer regardless of whether they are on one carrier or across networks.

Offerings

Access2Go Managed and Unmanaged Internet Service helps you consolidate management of your Internet applications with high speed dedicated access, world-class reliability and optimal performance, scalability and security.

Access2Go Dedicated Internet provides a dedicated Internet connection, with extensive reach in the U.S. for your business. You can select our completely Access2Go-managed solution, or choose to manage your solution yourself.

Either way, Access2Go proactively monitors your Internet Access 24/7 and provides enhanced security features to help protect your valuable information. You can take advantage of managed, high-speed, end-to-end Internet connectivity, knowing that Access2Go is there with proactive monitoring and expert technical assistance..
